Documents are not processed on weekends or holidays. Generally, the dispatched services can be completed in less than an hour. What do I need to send to you? If you have a document that needs to be authenticated, you can bring the document to our office or send it to us. Examples include: Wedding Layers School Transcriptions Colorado Birth Certificates Prosecutors Accommodation Certificates Adoption Documents As of April 2, 2018, the Secretary of State issues a single certificate of authentication Combined. Can I get a handout or authentication online? How do I get an authenticated copy of a naturalization certificate? Unfortunately, do not validate any parking lot. Let's review and provide feedback within 3-5 days (several attachments may require more time for review). The handouts and authentications what is a handle or authentication? For example, if we receive your documents during normal commercial time on one tre-fair, they will be sent out of our office on Wednesday. Can I authenticate my documents faster? If you would like our office to review your document before sending to authentication, send a PDF from document (s) by e-mail, authentications@coloros.gov. Although the document may be in another tongue, the report of the notice must be in English. Please understand that we can not provide authentications / online adhesives. How do I get authentication from a government document issued from outside the state? To avoid delays, make sure that the document includes: original signatures & e not stamped or photocopied. A authenticated copy can be obtained by the US Internal Security Department. Send the authenticated copy to the department of authentications of the department mu mu retbo arap AUE sod odatsE ?
